

Jemena/United Energy Christmas function @ Melbourne Museum 2010

Hi Lucas

I have received numerous emails today from our guests who raved about the venue, band and the food so a big thank you to you and the guys – brilliant job as I knew you would do. I have actually passed on your details to a few of the guests – I wish you all the best.

Enjoy the wine and have a nice Christmas and holiday season and I will be in contact with you for United Energy /Jemena functions for 2011

Regards

Erin Chain
