

Keg Restaurants Pty Ltd

To Whom It May Concern:

In the summer of 1997, the Keg Restaurant Albert Park launched "Sunday Jazz On The Terrace". Initially a new concept, it was well accepted by our guests and proved to be a popular day for all involved.

The Orlando Trio were vital to the success of this promotion in providing appropriate levels and types of jazz music for our patrons.

I found the band members involved to be professional, courteous and a pleasure to work with. I would have no hesitation in recommending the group to anyone who seeks enthusiastic, versatile and well respected musicians.

I wish them all the best for the future and if you wish to discuss them in further detail, I would be happy to do so.
