

Hotel Sofitel  
Plaza Saigon

To Whom It May Concern:

This is to certify that The Orlando Trio has been working with our Hotel from 9th October 2000. During their time at the Hotel Sofitel Plaza Saigon, The Orlando Trio has performed excellently at our L'Elysee Bar, they are currently undergoing a six month contract that will end on the 31st of March 2001.

All the members of the band, Evans Lucas Graham, Pingree Jonathan James and Orlando Adam Mario who are all from Australia, are very courteous and enthusiastic. They play with all their talent and passion to make our guests happy. As a result, we have received more and more good comments about the band, and some of our valued guests say that the band is one of the reasons they come back to our Hotel.

We strongly recommend The Orlando Trio to their other partners.

Yours Sincerely,

Jacques Serpollier  
General Manager
